WELCOME WORDS TO WOMEN.

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive from him the advice of a physician of over forty years' experience—a skillful and successful specialist in the diseases of women. Every letter has the most careful consideration and is regarded as a personal consultation. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he has nothing to offer, and that the case is not his. Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment cures in the privacy of your home. His "Favorite Prescription" has cured hundreds of thousands of kind cases. It is the only medicine of its kind that is the product of a regularly graduated physician. Some unscrupulous medicine dealers may offer you a substitute. Don't take it. Don't trifle with your health. Write to Dr. R. V. Pierce, Buffalo, N. Y., and take his advice and be well.

Mrs. R. D. Montfort, of Lebanon, Warren Co., N. Y., writes: "I have received the Medical Advice and a box of Dr. Pierce's Little Pink Pills, which could not tempt me to part with it."

On receipt of 21 one-cent stamps, to pay cost of mailing only, we will send you an address paper-bound copy of Dr. Pierce's great 1000-page book, "The Common Sense Medical Adviser." Or for 31 stamps the same in cloth binding. Address Dr. R. V. Pierce, Buffalo, N. Y.

The Original LITTLE PINK PILLS. First put out by Dr. R. V. Pierce over 40 years ago. Much imitated, but never equalled. Little pill, little dose, but give great results in a curative way in all derangements of Stomach, Liver and Bowels.

DISCRIMINATING LADIES.

Enjoy Using Herpelde on Account of Its Distinctiveness.

The ladies who have used Newbro's Herpelde speak of it in the highest terms, for its quick effect in clearing the scalp of dandruff and also for its excellence as a general hair-dressing. It makes the scalp feel fresh and it always that itching which dandruff will cause. Newbro's Herpelde effectively cures dandruff, as it destroys the germ that causes it. The same germ which causes the scalp to itch, causes the hair to fall out, and later baldness. In killing it, Herpelde stops falling hair and prevents baldness. It is also an ideal hair dressing, for it lends an aristocratic charm to the hair that is quite distinctive. Sold by leading druggists. Send 10c. in stamps for sample to The Herpelde Co., Detroit, Mich.

Two Dyspeptics

If you are too fat it is because your food turns to fat instead of muscle—strength. If you are too lean the fat-producing foods that you eat are not properly digested and assimilated.

Lean, thin, stringy people do not have enough Pepsin in the stomach, while fat people have too much Pepsin and not enough Pancreatic.

Kodol Dyspepsia Cure

contains all the digestive juices that are found in a healthy stomach, and in exactly those proportions necessary to enable the stomach and digestive organs to digest and assimilate all foods that may be eaten. Kodol is not only a perfect digestant, but it is a reconstructive, tissue building tonic as well. Kodol cures Indigestion, Dyspepsia, Sour Stomach, Heartburn, Palpitation of the Heart and Constipation. You will like it.

Digests What You Eat

Rests the stomach, rebuilds the tissues and gives firm flesh.

Another Infernal Machine.

Gun cotton enough to kill a man arranged in an infernal machine and disguised as a gilt cigar box was received yesterday by Precinct Police Captain Miles O'Reilly, in New York. This is the third deadly explosive instrument of similar construction sent through New York mails in the last four days, the other two having been received by Jacob H. Schiff, the banker, and M. Guggenheim's Sons.

Captain O'Reilly received a cigar box which in weight and every other detail mimicked in taking it for a genuine present. Unusually heavy nails fastening down the cover, however, caused a suspicion. When the box had been carefully opened at the radio matches were found glued to its inner surface in such a manner that they would be ignited on emery paper by the friction necessary to raise the lid. The police found that the flare of one of the half dozen matches might have caused the death of Captain O'Reilly.

A detective carried a tiny portion of the gun cotton and powder, which nearly filled the box, into the cellar and there touched a match to it. The resulting explosion was heard on the upper floors of the police station.

A valuable clue to the men who sent the deadly infernal machines to Jacob A. Schiff and Guggenheim's Sons was found yesterday afternoon when a letter foretelling an attempt to assassinate rich Jews there was brought to light.

This letter, breathing throughout a hatred of the wealthy, was received by Philip Cowen, publisher of the American Hebrew, last April. He read it hurriedly, saw that it was probably the work of a crank and promptly turned it over to Police Commissioner McAdoo.

Since that time it has remained in the latter's office. It was not until yesterday that the note containing the threats of the bombs, saw a connection between the information given by the anarchists and the first move in either campaign.

The envelope bore the postmark of Station B, the note April 12, and informed its recipient that the writers, two Russians and one American, had resolved to wage a war against the rich Jews in New York because of their influence and their wealth.

As for Cowen, he was warned to take care of himself. No harm was to come to him, the letter declared, but he could not be too careful.

At the bottom were the three signatures, all of which were hard to decipher. "At the time," said Mr. Cowen, "I paid little attention to the remarkable missive, an anarchist as it was. In fact, it had well-nigh slipped my mind when the sending of the bombs last week set me to thinking."

Conditions in Russia.

P. N. Milukoff, professor of Russian history in the University of St. Petersburg Prof. T. N. Denissievitch, and many others, all identified with the reform movement, were arrested at their respective residences Sunday night by the political police and are now in prison. Altogether there were 17 political arrests Sunday night, mostly of professors, advocates, physicians and architects. The reason given by the department of police for the arrests is that the prisoners were arranging for a meeting to condemn the imperial manifesto. Their contention is that they were simply planning to continue the reform campaign. The arrests have created a sensation in St. Petersburg.

It is rumored that there will be a general strike of railway men throughout Russia soon. A general strike has been proclaimed throughout Poland as a protest against the disregard of the rights of the Poles in the scheme for representation in the national assembly. The strike began at Warsaw yesterday. Employees of the Vistula Railway quit work and many trains were left standing at intermediate stations.

Eighty socialists, carrying arms, while attempting to enter Warsaw, were opposed by a detachment of Cossacks. Eight of the socialists were killed and the others arrested.

Employees of factories at Warsaw, Lodz and Pabianice have joined the strike. Besides the Vistula Railway, the Teresopol line and the light railways have been compelled to suspend service.

KIDNEY TROUBLES

Increasing Among Women, But Sufferers Need Not Despair THE BEST ADVICE IS FREE

Of all the diseases known, with which the female organism is afflicted, kidney disease is the most fatal, and statistics show that this disease is on the increase among women.

Unless early and correct treatment is applied the patient seldom survives when once the disease is fastened upon her. Lydia E. Pinkham's Vegetable Compound is the most efficient treatment for kidney troubles of women, and is the only medicine especially prepared for this purpose.

When a woman is troubled with pain or weight in loins, backache, frequent painful or scalding urination, swelling of limbs or feet, swelling under the eyes, an uneasy, tired feeling in the region of the kidneys or noticing a brick-dust sediment in the urine, she should lose no time in commencing treatment with Lydia E. Pinkham's Vegetable Compound, as it may be the means of saving her life.

For proof, read what Lydia E. Pinkham's Vegetable Compound did for Mrs. Sawyer.

"I cannot express the terrible suffering I had to endure. A derangement of the female organs developed nervous prostration and a serious kidney trouble. The doctor attended for a year, but I kept getting worse, until I was unable to do anything, and I made up my mind I could not live. I finally decided to try Lydia E. Pinkham's Vegetable Compound as a last resort, and I am to-day a well woman. I cannot praise it too highly, and I tell every suffering woman about my case."

Filtered Water for Washington.

The first filtered water entered the mains of Washington yesterday from the \$4,500,000 municipal filtration plant at the head of North Capitol street. The process of starting the operation of the plant was begun last Tuesday, but that involved merely the turning of the water into the first of 29 filtration beds, each having a capacity of 3,000,000 gallons.

The water from but one bed was turned into the District distributing system yesterday, but the expectation is that the other beds will be available for use at the rate of at least one every other day until the number necessary to turn out pure water to the amount of the present consumption in the District is complete.

The average daily consumption in the District of Columbia now is 63,000,000 gallons per day, but the flow from each of the beds may be increased so as to meet any unusual demand. Twenty-one of the filtration beds are practically completed, while the eight others are in course of construction.

Grave Trouble Foreseen.

It needs but little foresight, to tell, that when your stomach and liver are weak, feel, grave trouble is ahead, unless you take the proper medicine for your disease, as Mrs. John A. Young, of Clay, N. Y., did. She says: "I had neuralgia of the liver and stomach, my heart was weakened, and I could not eat. I was very bad for a long time, but in Electric Bitters, I found just what I needed, for they quickly relieved and cured me." Best medicine for weak women. Sold under guarantee by E. S. Leadbeater & Sons, druggists at 50c a bottle.
